On Monday we hold our school Swimming Carnival at WIRAC. All students are expected to attend as this is a normal school day. Please have your child/ren at WIRAC by 8.45am. Bus students need to alight at the High School where they will be met by a teacher who will escort them to the pool. (Students who have not been part of the swimming program can attend and participate - a cost of $4 is required for these children).

The swimming events should be completed by 1.30 pm.

Lunch and a free swim will conclude by 2.00 pm and the last group will return (by bus) to school by 3.00 pm. All students are expected to return to school after the carnival. Parents who wish to take their children home must inform class teachers. Students will not be allowed to purchase from the canteen or IGA; normal packed lunches only.

In conjunction with the main program we will have a range of novelty activities that will run at the same time as the races in the “play” pool. These events will be open to students from Prep to Year 3 and less confident swimmers from other age groups. Students will be grouped on the day.

Our carnival aims to increase participation in a competitive environment. The 25 m events will only be timed in the 8 and 9 years age groups (for records). All 50 m Open Events provide nominated swimmers with an opportunity to swim in a competitive setting at the longer distance. Each lane will be timed and compared to records for the corresponding age group. Ribbons will be given for overall 1st, 2nd, 3rd place only.
